SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Applicants submit the references listed on the enclosed Form PTO-1449, copies of which are enclosed. A copy of a search report from a corresponding European application is also enclosed.

Jones et al. ("Gene Therapy for Gastric Ulcers with Single Local Injection of Naked DNA Encoding VEGF and Angiopoietin-1," *Gastroenterology* 121(5): 1040-1047, 2001) and Sim et al. ("Therapeutic Angiogenesis for Coronary Artery Disease," *Journal of Cardiac Surgery* 17(4): 350-354, 2002) are listed on the enclosed search report and

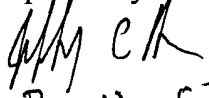

were cited in the present application in the Information Disclosure Statement ("IDS")
filed July 7, 2006. These references are accordingly not cited in the present IDS.

Submission of this statement is not a representation that a search has been made,
nor is the inclusion of information in this statement an admission that the information is
material to patentability.

This statement is being filed before the receipt of a first Office action on the
merits. If there are any charges or any credits, please apply them to Deposit Account No.
03-2095.

Date: August 22, 2006

Respectfully submitted,

Reg No 57,727 for
James D. DeCamp, Ph.D.
